

# PERSONAL DATA AND PRIVACY DISCLAIMER

The Personal Data provided by users, who request information will be treated by GEVACRIL S.r.l. in accordance with Law 196/03 on the Protection of Personal Data. This processing will be carried out with the purpose of responding to requests for information received through contacts via email or phone. The data will be communicated to certain subjects, commissioned by the Company for the Development of Data. There is no dissemination of the data.

## DATA PROVIDED VOLUNTARILY BY USERS

The e-mails sent optionally, explicitly and voluntarily to the addresses indicated on this site involves the acquisition of the sender's necessary to respond to requests, and any other data included in the message.

## COOKIES POLICY

In accordance with art. 13 of the Privacy Code and in compliance with the requirements of the Ruling 229/2014 of the Authority for the Protection of Personal Data, we inform you that this site uses cookies and similar technologies to ensure the proper functioning and improve the experience of use. This text provides detailed information on the use of such tools by the data controller, and how the user can manage the operation.

No personal user data is acquired from the site, in particular, do not use cookies to transmit personal information, nor for transmission or processing of personal information.

By browsing [www.gevacril.com](http://www.gevacril.com) and [www.gevacril.eu](http://www.gevacril.eu) (hereafter "Site"), you are accepting to use cookies on your machine in accordance with this Cookies Policy. If you do not agree to this use of cookies, you must set your browser appropriately or do not use the Site. If you decide to disable the cookies that we use, this could affect your experience on the Site.

## WHAT'S A COOKIE?

Cookies are small text files containing information sent from the site to the device from which you connect to the Internet such as your computer or other devices such as smartphones and tablets.

During the browsing of a site, in addition to the cookies installed by the operator of the site you visited (cookie "first part"), you can also get on to your terminal cookie about different sites or of different web server (so-called cookie of "third parties"); this is because the website visited can be present elements as, for example, images, maps, sounds, specific links to web pages of other domains that reside on different servers . In other words, these are cookies that are set by a website other than the one you are currently visiting.

#### TYPES OF COOKIE

##### Technical cookie

Those cookies are used for the sole purpose of "carrying out the transmission of a communication on an electronic communications network, or insofar as this is strictly necessary to the provider of an information society service that has been explicitly requested by the contracting party or user to provide the said service." (see Section 122(1) of the Code).

These cookies are essential in order to allow to navigate through the website and make full use of its features, such as access the various protected areas of the site. Without these cookies certain necessary services, such as filling out a form for sending a message, manage the shopping cart or allow online purchases, can not be enjoyed. Or allow the site to remember the choices made by the user (such as name, language or region of origin), or can also be used to provide specific services required, such as watching a video or comment on an article on a blog, etc...

By using our site, you agree that these cookies may be installed on your device.

##### Analytic cookie

These cookies are similar to technical cookies when used directly by the website manager to collect information, in aggregate form, on the number of users and how they browse the website, to draw up general statistics about use of website. By using our site, you agree that these cookies may be installed on your device.

##### Cookie profiling

They are designed to create profiles user and are used in order to send advertising messages in line with the preferences shown by the same while surfing the net. Given the considerable invasiveness that such devices may be part of the private sphere of the users, European and Italian legislation requires the user to be properly informed on the use of the same and express their explicit consent. On this website we do not use this type of cookie.

##### Third Party Cookies

Visiting a website may receive cookies from the site is visited ("owners"), both from websites maintained by other organizations ("third parties"). An example is the presence of "social plug-in" for Facebook, Pinterest, Instagram and Google+, Twitter: they are parts of the page visited directly generated by these sites and integrated into the host page of the site. The most common use of social plug-in is aimed at sharing content on social networks.

The presence of these plug-ins involves the transmission of cookie to and from all sites operated by third parties. The management of the information collected by "third parties" shall be governed by the relevant information which please refer. By using our site, you agree that these cookies may be installed on your device.

#### DURATION OF COOKIES

Cookies have terms dictated by the expiration date (or from a specific action such as closing the browser) set at installation.

Cookies can be:

- temporary or session (session cookie) are used to store temporary information, allow you to connect the actions performed during a specific session and are removed from your computer when you close the browser;
- Permanent (persistent cookie): they are used to store information, such as name and password, so as to avoid the user having to type them again each time you visit a particular site. These are stored on your computer after you close the browser.

#### WHAT COOKIES WE'RE USING?

This website DO NOT use any cookies profiling.

We use technical cookies and third-party cookies.

#### Technical cookies

The use of such cookie and the treatment of your data related to it are necessary to allow us to make available the content published on our website in an effective and user-friendly and does not meet any other objective. The installation of such cookies and the performance of treatments to them, does not require, under the applicable law, your consent.

#### Third party cookies
